We are currently processing the updates for your employee's medical gas training classes by mail. We are currently updating to the 2018 Edition of the NFPA 99 code book. The renewal fee is \$250 for a book and test and \$125 for just the test/per student. Please indicate on the registration form what you are renewing for: ***ASSE 6005 Medical Gas Specialist, 6010 Installer/Brazer, 6020 Medical Gas Inspector or 6040 Medical Gas Maintenance person***. If you already have a copy of the 2018 edition of the NFPA 99 codebook you do not need to purchase another one.

Checks should be made out to Red Lion Medgas Consultants, Inc., and you will receive by return mail:

- : A copy of NFPA 99 2018 Edition Code Book (If purchased)
- : A test and answer sheet
- : A copy of a blank brazing continuity form (If applicable)

You can also call the office to make a credit card payment over the phone.

The Center for Medicare Medicaid Services (CMS) is currently referencing the requirements of NFPA 99 2012 edition, but to keep students current we are updating to the 2018 edition.

Review the code book. It should take them at least four hours to adequately review the book. After they are comfortable with the code book, take the multiple-choice test. Return the update registration sheet **and** answer sheet **and** their completed brazing continuity sheet. The Brazing Continuity form indicates that they have brazed a nitrogen purged joint and had it witnessed every six months for the last 3 years. If they are a 6020 or 6040, they do not need to send in a brazing continuity form.

If they pass the test, they will receive a new wallet card good for the next 3 years along with another brazing continuity form (brazing form if applicable).

The tests will be processed rapidly so there is no need to send it back by Express Mail, Priority Mail, UPS Overnight, etc. Just pop it into the regular mail and it will be processed. You can also scan the documents and email them to info@redlionmedical.com or to kim@redlionmedical.com. You can also fax them to 302-731-5034.

If any employee(s) in this packet no longer work for your company, please let us know by sending us an email to kim@redlionmedical.com.

You can also visit our website at www.redlionmedical.com for more information regarding upcoming classes and student renewals. All forms are available online to download.

If you have any questions, please feel free to contact us.

Thank you.
